

COUNTDOWN TIMER

ECOSAVERS

EcoSavers® Countdown Timer

The EcoSavers® Countdown Timer helps you to save energy in a simple and easy way.

You can select the requested timeframes ½ hour - 1 hours - 3 hours - 6 hours both for switching electricity off and on.

Want to charge the battery of your laptop knowing it will be fully charged after 2,5 hour ? Just select 3 hours countdown time (switching off) and after 3 hours the electricity will be automatically cut off.
