4 · 6 · 8 MINUTES

ECOSAVERS

EcoSavers® ShowerTimer 3-Hourglass

Another simple energy saving device from EcoSavers, the ShowerTimer 3-Hourglass.

This simple shower timer helps you to reduce your shower time and therefore helps save you a lot of energy and money.

By reducing the shower time, you are not only saving water, but also a lot of energy to heat the water.

The showertimer has 3 operating times of 4, 6 and 8 minutes.

Also educational for children. Teach children to finish before the sand reaches the bottom of the hourglass.
